Tobias Tovera

Born in 1977 in the United States

Tobias Tovera was born July 6 1977 Sacramento, California. He is an American visual artist recognized for the sensory surround of his multi-media installations as well as his works in painting and performance. Tovera was awarded a scholarship in Sculpture at the California College in 2001 and in 2011 a Masters in the fine arts in Painting at the San Francisco Art Institute.

His breakthrough works entitled *Inner space*, *Celestial Tide* and *Rupture* was well received by the public for its colours and depth. Tobias has said 'my vision for my work is to create transmuted spaces where energy shifts, changes and renews itself.' With ten solo and twenty-six group exhibitions in the US only his work is now being extensively exhibited and recognised in Europe.

Tovera currently works and lives in San Francisco, California.
